

Dear members of our local community,

We at Audlem St James School are reaching out to ask for your support as we continue to develop our school environment over the Spring and Summer terms. We are passionate about creating engaging, creative, and calming spaces for our children, and any help from our community would make a huge difference.

We would be very grateful for donations of the following items for use in school activities and play areas:

- Drainpipes
- Dressing-up clothes
- Lego
- Sand
- Old toys (such as cars)
- Pots, pans, and kitchen utensils suitable for play

We are also working on improving our outdoor spaces and would welcome help with:

- Tractor tyres
- Creating small mounds on the field for rolling and physical play
- Developing a wildflower area
- Enhancing our sensory area

The children have also asked for monkey bars. If anyone has the skills or ability to help make or install these, we would love to hear from you.

In addition, we are hoping to make our classrooms and corridors more calming by adding small sofas, chairs, and side tables to create quiet, comfortable spaces for children to relax and regulate.

If you can donate items, offer practical help, or would like more information, please contact the school office. Every contribution, no matter how small, will directly benefit our children.

Thank you so much for your continued support of our school community.
