Attendance this week

In KS1 Pearl class had the highest attendance with 97 %, In KS2 Emerald Class had the best attendance also with 97% again. Well done to both classes.

Overall the whole school attendance was 96 % which is slightly below our target. We have attached an Attendance information letter to the newsletter, If you are taking your child out of school for an appointment or for holidays a request for absence form must be filled out at least 2 weeks prior if possible. Failure to do this will result in your childs attendance being marked as unauthorised and fines may be issued.

Finally - It is important that our newsletter and all other forms of communication we send out to parents and carers, give you a clear and detailed picture of our work in school, so that you are kept up to date with events in school and our community. If you have any ideas, comments or suggestions about the content of newsletters please get in touch with me.
