NEWSLETTER

This Week

It has been a week of contrasts in school. The beautiful, warm sunshine has brought a real sense of energy and positivity to our days, with pupils enjoying time outdoors and our Opal Play areas and making the most of the brighter weather. At the same time, our school community has come together in support and care following the sad loss of one of our parents. We are proud of the kindness, understanding and respect shown by our pupils, staff and families, reminding us all of the strength we find in looking out for one another.

Thought of the Week

Just as the sun brings warmth and light, kindness brings comfort and hope.

Attendance this week

In KS1 Reception class had the highest attendance with 99 %, In KS2 Emerald Class had the best attendance also with 99 %. Well done to both classes.

Overall the whole school attendance was 97% which meets our target. Well done to everyone.

We have attached an Attendance information letter to the newsletter, If you are taking your child out of school for an appointment or for holidays a request for absence form must be filled out at least 2 weeks prior if possible. Failure to do this will result in your child's attendance being marked as unauthorised and fines may be issued.

Finally - It is important that our newsletter and all other forms of communication we send out to parents and carers, give you a clear and detailed picture of our work in school, so that you are kept up to date with events in school and our community. If you have any ideas, comments or suggestions about the content of newsletters please get in touch with me.
