NEWSLETTER

SUMMER TERM 2026

We have a very busy and exciting half term ahead, with lots of events and opportunities for our school community to come together. We are looking forward to welcoming families of our new Reception starters for September 2026 to our welcome meetings and taster sessions over the coming weeks.

This afternoon, we are delighted to be inviting parents to join us for our OPAL Play session and see the children enjoying the fantastic play equipment and opportunities available around the school field.

Our annual Sports Day is fast approaching on Friday 19th June, and all classes have been busy practising in preparation for what promises to be a fun-filled day.

We would also like to remind everyone about the Friends of Audlem School Makers Market, taking place on Saturday 13th June at the Buttermarket in Audlem. If you would like to make and donate any items to sell on the day, we would be very grateful for your support. Please let a member of the Friends of Audlem School team know.

Thank you, as always, for your continued support. We look forward to sharing all the exciting events and achievements from what promises to be a fantastic half term.

Thought of the week

When you open the windows, do you have to beg the fresh air to come in? Or when you open the curtains in the morning, do you have to argue with the sun to make it shine into your room? How silly! You just open the windows and the air flows in. You open the curtains and the sun shines in.

The Bible says it's like that with God's peace. It will flow into our hearts, if we let it.

Are you worried? Are you anxious? Is anything troubling you today?

Don't try to work it all out by yourself.
Let God.

Thank you

We would like to extend a huge thank you to the members of the Round Table and everyone who helped and supported Santa's visit around the village on his tractor in December for their generous donation to the school this week. Their support is greatly appreciated and will help us continue to provide valuable opportunities and resources for our children. Thanks to the incredible generosity of our community, over £3,000 was raised, with £500 kindly donated to the school.

Thank you to everyone involved for your time, effort and continued support of our school. Your generosity makes a real difference to our children and school community

Message from Friends of Audlem School

It's just over a week until our first mini makers market now and we're excited to see what you have been creating!

Please can all creations be dropped off at the school office **by Friday 12th June** so that they can be collected and ready to display at the market. If you would like to suggest a selling price please do so.

If you're baking goods (remember they need to be nut and kiwi free!) you're welcome to bring these along on Saturday morning at 9.30am to the stall.

Finally, we welcome children to come along and help to sell their creations or if you don't fancy that please bring friends and family to see what's on offer and support our school!

Finally

It is important that our newsletter and all other forms of communication we send out to parents and carers, give you a clear and detailed picture of our work in school, so that you are kept up to date with events in school and our community. If you have any ideas, comments or suggestions about the content of newsletters please get in touch with me.

A Perry
