

Need a little help with your computer, tablet or smartphone?

FREE DIGITAL HELP & SUPPORT
FOR AUDLEM & DISTRICT RESIDENTS

Are you unsure about paying bills, shopping or accessing services online?

Wondering how to get the best out of your computer, tablet or smartphone?

Worried about being scammed on the internet?

The Audlem Public Hall Committee is exploring the idea of a **FREE drop-in digital support session** at the Public Hall.

Come along for a cup of tea or coffee and get help with your computer or smartphone problems.

Our friendly volunteers are keen to help with your digital queries, and we would also like to hear from local residents about the sorts of problems and challenges you are experiencing.

VOLUNTEERS ALSO WANTED

We already have keen volunteers ready to help and are looking for another volunteer with knowledge of **Apple computers and phones** to join us.

INTERESTED IN COMING ALONG?

If you would like to attend the initial session, please let us know:

Text or phone:

07361 826143

Email:

**audlempublichall.
gmail.com**

Or pop a note into the letterbox at the main entrance of Audlem Public Hall.

Please include your contact details and a brief description of the problem or digital issue you would like help with.

The date and time of the **drop-in session** will be announced once we have heard from local residents and established the level of interest.
