

Do you love driving and want to be involved in something new?

Full-time, c£19,000 per annum + overtime

Work with us to provide a top-class service on our new, innovative, on-demand passenger transport service, connecting people living in the leafy Cheshire countryside to their local services.

Are you:

- A competent driver, with a history of safe driving?
- Enthusiastic, motivated and love working with people?
- Proud to deliver exceptional, customer-focused services?
- Keen to be part of an exciting and innovative new service?
- Flexible, prepared to work from any areas of Cheshire East?
- A holder of current PCV licence & Driver CPC, or willing to be trained?

You could be driving a new 17-seat automatic minibus on our new high-profile, demand responsive rural transport service, in the south of Cheshire East (around Nantwich), so a geographical knowledge of this area is desirable.

Three years initially, with potential to be extended.
