New Brands in 2024

NEW to Brambles for 2024 is another Iconic Brand 'AGA' Cookware. Listening to our customers we discovered that many of you really 'miss' the AGA shop in Nantwich, which sadly closed its doors. Therefore, we are so please to announce that we are now official stockists! We currently have a range of essential AGA Cookware products in store. However, if there is something specific that you need we can order it into store for you no problem at all.
