Thought of the week

This week

We have 1 week left of this term and year in school. As always, this week has been a fun filled pack week where the children have been getting ready for the KS1 Nativity.. All I can say that you are in for a treat next week.

Classes are getting ready for the Church service at the end of next week as well as rehearsing their Christmas songs competition as classes go up against each other on singing a class Christmas song. We all can't wait to celebrate Christmas at school next week with lots of exciting activities going on.

Christmas Lunch

On Thursday 18th December Mr Wilson and the School Kitchen Team will be making a special Christmas Turkey Lunch. This will replace the normal menu for the day. Still time to order, just return the slip to the office. Free for KS1 under the Free school meals scheme, For KS2 the cost is £3 payable as per usual lunches on parentmail.

Opal Play

- We are still looking for a boat or canoe to bring role play to our Opal Play.
- We also need help on re-wilding an area of the field from January onwards with Wildflowers and Trees if anyone can help in this area.
- We still need any old pots and pans, dressing up clothes, lego and toys.
- The children would like monkey bars on the field and I was wondering if anyone knows of someone with expertise in making these or would help support us in buying them.

Sports Coaching Group – Spring term after school club

We have been asked to send out details of the activities for the sports coaching group holiday club running in the Spring term. Please find the details attached

Finally - It is important that our newsletter and all other forms of communication we send out to parents and carers, give you a clear and detailed picture of our work in school, so that you are kept up to date with events in school and our community.
